6 Technical requirements for system interface
7 System technical indicators
8 Technical requirements for system testing

1 Foreword

EJ/T 20199-2018 was issued by State Administration of Science, Technology and Industry for National Defense on 18 January 2018 and has been in force since 1 May 2018.

The EJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the technical requirements of integrated management system for physical protection of nuclear material and nuclear facilities (hereinafter referred to as "integrated system") in fixed places. This standard is applicable to the design and acceptance of integrated system in the physical protection project of nuclear material and nuclear facilities in constructed, extended and renovated fixed places.

EJ/T 20199-2018 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 313 other EJ/T standards.

In this catalogue, EJ/T standards carry edition years from 1992 to 2018.
