### What this standard covers

This standard specifies the terms and definitions, requirements, test and inspection methods, inspection rules, signs, packaging, transportation and storage of high weather-resistant polyester outdoor fabrics. This standard applies to colored high weather-resistant polyester outdoor fabrics produced by machine weaving with polyester as the main raw material. Other highly weather-resistant polyester fabrics for outdoor products can be implemented by reference. This standard does not apply to coated fabrics.

### Document data

International classification (ICS): 59.080.30.

Chinese classification (CCS): W71.

Estimated length of the Chinese original: 9,923 words.
