1 Foreword

FZ/T 32011-2025 was issued by Ministry of Industry and Information Technology on 10 April 2025 and has been in force since 1 May 2027.

It replaces the earlier edition FZ/T 32011-2009.

The FZ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the product classification, marking, requirements, test methods, inspection rules, packaging, and labeling of hemp yarn. This standard applies to natural or bleached long and short fiber hemp yarn produced by ring spinning (wet spinning and dry spinning) and rotor spinning.

FZ/T 32011-2025 falls under ICS 59.080.20, in the field of textile and leather technology.

This catalogue holds 1,720 other FZ/T standards in that field.

In this catalogue, FZ/T standards carry edition years from 1991 to 2025.

3 About this standard

Issued by: Ministry of Industry and Information Technology
