1 Foreword

FZ/T 73049-2024 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 5 July 2024.

It replaces the earlier edition FZ/T 73049-2014.

The FZ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This document specifies the specification, requirements, tests, sampling rules, judgment rules, instructions for use, packaging, transportation and storage of knitted masks. This document is applicable to knitted masks made mainly of knitted fabric. This document is not applicable to medical masks, labor protection masks and children's protective masks. This document is not applicable to masks for infants aged 36 months or below.

FZ/T 73049-2024 falls under ICS 59.080.30, in the field of textile and leather technology.

This catalogue holds 1,720 other FZ/T standards in that field.

In this catalogue, FZ/T standards carry edition years from 1991 to 2025.
