1 Foreword

FZ/T 81019-2014 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 14 October 2014.

The FZ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 25 pages in English translation.

2 Scope Preview

This standard specifies all the technical features of corduroy wear such as its requirements, detection methods, inspection and classification rules as well as marking, packaging,
