1 Foreword

FZ/T 81019-2024 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 10 December 2024.

It replaces the earlier edition FZ/T 81019-2014.

The FZ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
