8.1 Transportation

8.2 Storage

Appendix A (Normative) Technical requirements for shoe last dimensions

Appendix B (Normative) Outsole Technical Requirements

Appendix C (Normative) Technical requirements for polyester mesh fabrics

Appendix D (Normative) Packaging Technical Requirements

Appendix E (Normative) List of aromatic amines that are not allowed to decompose in dyes under reducing conditions

Appendix F (Informative) Key Processing Equipment

Foreword

This document is in accordance with the provisions of GB/T 1.1-2020 "Guidelines for standardization work Part 1: Structure and drafting rules for standardization documents" Drafting is required.

1 Scope

This document specifies the requirements, test methods, inspection rules and labeling, packaging, transportation and storage of women's police dress shoes.

This document applies to the production, inspection and ordering of police dress shoes for women.

2 Normative references

The contents of the following documents constitute the essential clauses of this document through normative references in this document.

For referenced documents without a date, only the version corresponding to that date applies to this document; for referenced documents without a date, the latest version (including all amendments) applies to this document.
