Appendix A (Informative) Main Production Equipment for Police Uniform Summer Duty Short-sleeved Shirts

Foreword

The entire technical content of this document is mandatory.

This document is in accordance with the provisions of GB/T 1.1-2020 "Guidelines for Standardization Work Part 1: Structure and Drafting Rules for Standardization Documents" drafting.

This document replaces GA 568-2009 "Summer Duty Uniforms for Police Uniforms" from the date of implementation. Compared with GA 568-2009, except for structural adjustments in addition to editorial changes, the main technical changes are as follows.

- a) Added a chapter on terms and definitions (see Chapter 3);
- b) Added the description of the standard sample (see 5.1);
- c) The men's tunic-style summer duty short-sleeved shirt has a back dart (see 5.2, 4.1 of the 2009 edition);
- d) The specifications and dimensions such as length, bust, mid-waist, hem, and shoulder width have been changed (see 5.3, 4.2 of the 2009 edition);
- e) Change the fabric to combed polyester-cotton plain weave and combed polyester-cotton linen plain weave (see 5.6, 4.5 of the 2009 edition);
- f) Change copper nickel-plated buttons to stainless steel clad aluminum buttons (see 5.6, 4.5 of the 2009 edition);
- g) Added collar tip inserts (see 5.7.3);
- h) Increased collar reinforcement lining (see 5.7.3);
- i) The shoulder seam, waist sleeve seam, back support shoulder seam and sleeve seam are added to form the non-ironing tape process (see 5.7.3);
- j) Added women's summer duty short-sleeved shirts and belt-tab type summer duty short-sleeved shirts with front placket flaps (see 5.7.3);
- k) Changed the product name logo, size logo, product maintenance logo content and nail location (see 5.8.2, 4.9.2, 2009 edition 4.9.3, 4.9.4);

- l) Changed the content and scope of appearance defects (see 5.9.1, 4.10.1 of the 2009 edition);
- m) Added the specific content of the test method (see Chapter 6, Chapter 5 of the 2009 edition);
- n) Increased inspection classification (see 7.1);
- o) Added inspection items (see 7.2);
- p) The specific content of defect classification and judgment basis has been added (see 7.3, Chapter 6 of the 2009 edition);
- q) Added sampling rules (see 7.4);
- r) Added judgment rules (see 7.5);
- s) Added the specific content of packaging, transportation and storage (see Chapter 8, Chapter 8 of the 2009 edition);
- t) Added other instructions (see Chapter 9);
- u) The fastening equipment has been changed (see Appendix A, Appendix A of the 2009 edition);
- v) Added special production equipment such as armholes, shoulder seams, and waist sleeve seams for shaping (see Appendix A).

Please note that some contents of this document may refer to patents. The issuing agency of this document assumes no responsibility for identifying patents.

1 Scope

This document specifies the product classification, requirements, test methods, inspection rules, packaging, transportation and storage of police uniform summer duty short-sleeved shirts.

This document is applicable to the production, inspection and acceptance of police uniform summer duty short-sleeved shirts.

2 Normative references

The contents of the following documents constitute the essential provisions of this document through normative references in the text. Among them, dated references for documents, only the version corresponding to the date is applicable to this document; for undated reference documents, the latest version (including all amendments) is applicable to this document.
