Foreword

GA/T 946 "Code for Road Traffic Management Information Collection" is divided into 6 parts.

- Part 1. Motor vehicle driver's license business information collection and endorsement;
- Part 2. Motor vehicle registration information collection and endorsement;
- Part 3. Information collection of road traffic accidents;
- Part 4. Information collection of road traffic violations;
- Part 5. Collection of road transport information for highly toxic chemicals;
- Part 6. Collection of road traffic management assistance information.

This section is Part 1 of GA/T 946.

This section was drafted in accordance with the rules given in GB/T 1.1-2009.

This Part replaces GA/T 946.1-2011 Road Traffic Management Information Collection Part 1. Motor Driving License Business Information Collecting and Endorsing." Compared with GA/T 946.1-2011, with the exception of editorial changes, the main technical changes are as follows.

- Revised driver's license management business classification (see 3.1, 2011 version 3.1);
- Modify the initial application for information collection projects, positions and requirements (see 3.2.1, 2011 version of 3.2.1);
- Modify the increase of quasi-drive type application information collection items, positions and requirements (see 3.2.2, 2011 version 3.2.2);
- Increased reduction of quasi-driving type renewal information collection items, posts and requirements due to changes in physical conditions (see 3.2.5.7);

- Increased inspection (see 3.2.11);
- Increased postponement of information collection projects, positions and requirements (see 3.2.12.3);
- Increased the number of applications for school bus driving qualifications (see 3.2.15);
- Increased the qualification for applying for cancellation of school bus driving (see 3.2.16);
- Increased the number of applications for signing the school car special identification (see 3.2.17);
- Increased the cancellation of the highest quasi-drive type (see 3.2.18);
- Increased the number of write-off internships (see 3.2.19);
- Added references.

This part is proposed and managed by the Standardization Technical Committee on Road Traffic Management of the Ministry of Public Security.

This section drafted by. Ministry of Public Security Traffic Management Research Institute.

1 Scope

This part of GA/T 946 stipulates the acquisition items, positions and requirements of motor vehicle driving license business information, as well as motor vehicle driving licenses and Temporary motor vehicle driving permit endorsement items and requirements.

This section applies to the collection and endorsement of motor vehicle driver's license business information of the traffic management department of the public security organ.
