This part of the standard replaces the previous editions are.

--- GB/T 13524.3-1993. Porcelain Art furnishings Part 3. Culture porcelain

1 Scope

GB/T 13524.3-2015 is the Chinese national standard on standard of artistic porcelain - part 3: cultural ware, in the field of glass and ceramics industries. The /T suffix marks it as a recommended standard: it is not compulsory by itself, but it becomes binding as soon as a contract, a tender or a customer specification calls it up - which in practice is how most foreign buyers meet it. It was issued on 3 July 2015 by the General Administration of Quality Supervision, Inspection and Quarantine of the People's Republic of China; Standardization Administration of China, and has been in force since 1 February 2016. Classification: ICS 81.060.20, CCS Y88. This page is published from the official record of the standard held by the Chinese standards administration: the identification, the dates, the classification and the issuing body are taken from there. The clause text, the tables and the numeric limits are in the document itself, which is delivered complete in English translation.

GB/T 13524 in the provisions of this part of the terms and definitions used porcelain culture, product classification, technical requirements, test methods, inspection rules and Packaging, labeling, transportation and storage rules. This section applies to cultural use porcelain products, does not apply to special craft culture porcelain products.
