This section was first released in October 1994, the first revision in 2009. International trade export documents Part 1. Commercial Invoice

1 Scope

GB/T 15310.1-2014 is the Chinese national standard on form for international trade export documents-part 1: commercial invoice, in the field of generalities, terminology and documentation. The /T suffix marks it as a recommended standard: it is not compulsory by itself, but it becomes binding as soon as a contract, a tender or a customer specification calls it up - which in practice is how most foreign buyers meet it. It was issued on 5 December 2014 by the General Administration of Quality Supervision, Inspection and Quarantine of the People's Republic of China; Standardization Administration of China, and has been in force since 15 April 2015. Classification: ICS 01.140.30, CCS A13. This page is published from the official record of the standard held by the Chinese standards administration: the identification, the dates, the classification and the issuing body are taken from there. The clause text, the tables and the numeric limits are in the document itself, which is delivered complete in English translation.

GB/T 15310 provisions of this part of the international trade commercial invoice format. This section applies to international trade Shanzhi commercial invoice, print, and information processing.
