Center, Xu Beihong Art Institute of Renmin University of China, the State Secretary General Administration of Sport economy. The main drafters of this section. Chen right, a white house, Xu Ping, Yao Shun An, An Feng, Zouzhuang Yu, Zhang Liang. This section first release. Public information guidance systems - Setting principles and requirements Part 7. sports

1 Scope

GB/T 15566.7-2007 is the Chinese national standard on guidance system for public information - setting principles and requirements - part 7: sports place, in the field of generalities, terminology and documentation. The /T suffix marks it as a recommended standard: it is not compulsory by itself, but it becomes binding as soon as a contract, a tender or a customer specification calls it up - which in practice is how most foreign buyers meet it. It was issued on 14 November 2007 by the General Administration of Quality Supervision, Inspection and Quarantine of the People's Republic of China; Standardization Administration of China, and has been in force since 1 April 2008. Classification: ICS 01.080.01, CCS A22. This page is published from the official record of the standard held by the Chinese standards administration: the identification, the dates, the classification and the issuing body are taken from there. The clause text, the tables and the numeric limits are in the document itself, which is delivered complete in English translation.

This section GB/T 15566 specifies the sports-oriented public information system (hereinafter referred to as sports-oriented system) settings of the original And the requirements. This section applies to settings used in sports stadiums-based sports-oriented system.
