1 Foreword

GB/T 16898-1997 was issued by State Administration for Market Regulation; Standardization Administration of China on 28 August 2026 and has been in force since 1 March 2027.

The GB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

GB/T 16898-1997 falls under ICS 75.120, in the field of petroleum and related technologies.

This catalogue holds 836 other GB/T standards in that field.

In this catalogue, GB/T standards carry edition years from 1963 to 2026.

3 About this standard

Sector: National Standard (Recommended)

Issued by: State Administration for Market Regulation; Standardization Administration of China

English translation: about 15 pages (approximate)

4 Related standards
