What this standard covers

This standard specifies the photographic process used in the relative density (specific gravity) General test method for the determination of the solution.

Document data

International classification (ICS): 37.040.30.

Chinese classification (CCS): G84.

Estimated length of the Chinese original: 5,547 words.

Adopted international standard: ISO 10349-11-1992, IDT.
