# Table of Contents

|                                                   |    |
|---------------------------------------------------|----|
| Foreword .....                                    | 4  |
| Introduction .....                                | 6  |
| 1 Scope .....                                     | 9  |
| 2 Normative references .....                      | 10 |
| 3 Definitions and abbreviations .....             | 11 |
| 3.1 Safety terms .....                            | 12 |
| 3.2 Equipment and devices .....                   | 14 |
| 3.3 Systems - general aspects .....               | 19 |
| 3.4 Systems - safety-related aspects .....        | 22 |
| 3.5 Safety functions and safety integrity .....   | 24 |
| 3.6 Fault, failure and error (see Figure 4) ..... | 28 |
| 3.7 Lifecycle activities .....                    | 36 |
| 3.8 Confirmation of safety measures .....         | 37 |
| Bibliography .....                                | 42 |
| Index .....                                       | 44 |
| Foreword .....                                    | 4  |
| Introduction .....                                | 6  |
| 1 Scope .....                                     | 9  |
| 2 Normative references .....                      | 10 |
| 3 Definitions and abbreviations .....             | 11 |
| 3.1 Safety terms .....                            | 12 |
