## Table of Contents

|                                                                                              |  |
|----------------------------------------------------------------------------------------------|--|
| 1 Scope                                                                                      |  |
| 2 Normative references                                                                       |  |
| 3 Terms and Definitions                                                                      |  |
| 4 General requirements                                                                       |  |
| 4.1 Characters in PIN                                                                        |  |
| 4.2 Protection against adding characters                                                     |  |
| 4.3 Allowed characters                                                                       |  |
| 4.4 World Manufacturer Code (WMC)                                                            |  |
| 4.5 Machine Description Section (MDS)                                                        |  |
| 4.6 Machine Indicator Section (MIS)                                                          |  |
| 4.7 Check letter (CL)                                                                        |  |
| 4.8 Repeat                                                                                   |  |
| 4.9 PIN Format                                                                               |  |
| 5 Product labels/tags                                                                        |  |
| 5.1 Composition                                                                              |  |
| 5.2 Position                                                                                 |  |
| 5.3 Fixed                                                                                    |  |
| 6 Mark                                                                                       |  |
| 6.1 Main markings                                                                            |  |
| 6.2 Optional Tags                                                                            |  |
| 7 PIN character readability                                                                  |  |
| 8 Refer to instruction manual                                                                |  |
| 1 Scope                                                                                      |  |
| 2 Normative references                                                                       |  |
| 3 Terms and definitions                                                                      |  |
| 3.1.2 The second part (3.5) of the PIN (3.1) consists of information describing the machine. |  |
