Foreword

This standard and the following standards constitute the national standards for conformity assessment criteria common elements prepared to provide guidance.

--- GB/T 27001-2011 "Conformity assessment principles and requirements of fairness";

--- GB/T 27002-2011 "Conformity assessment principles and requirements of confidentiality";

--- GB/T 27003-2011 "conformity assessment complaints and appeals principles and requirements";

--- GB/T 27004-2011 "Conformity assessment principles and requirements of information disclosure." this standard was drafted in accordance with the rules of GB/T 1.1-2009 and GB/T 20000.2-2009 given.

This standard uses the translation method identical with ISO/PAS17005.2008 "Conformity

Assessment Management System using the principles and requirements." Correspondence between the consistency of the standards of international documents and normative references of the following documents.

--- GB/T 27000-2006 "Conformity assessment - Vocabulary and general principles" (ISO/IEC 17000:2004, IDT).

The standard ISO/PAS17005.2008 made the following editorial changes.

--- Delete the "ISO/PAS Foreword", according to GB/T 1.1-2009 increase the preface of this standard;

--- For the introduction, according to GB/T 1.1-2009 made changes to adapt to their requirements;

--- ISO/PAS17005.2008 references ISO 9001:2000 standard, since GB/T 19001-2000 standard by GB/T 19001-2008 standard in place, relative GB/T 19001-2000 standard terms, GB/T 19001-2008 standard the change is to make "more explicit expression", a reference to GB/T 19001-2008 standard content and substance to this standard will not cause Seeking change. Therefore, adopting a standard referenced in Annex A and GB/T 19001-2000-related content with GB/T 19001-2008 standard content instead.

This standard certification and accreditation by the National Standardization Technical Committee (SAC/TC261) and focal points.

This standard was drafted. Shanghai Quality System Audit Center, the National Certification and Accreditation Administration of the Certification and Accreditation Institute of Technology, in State National Accreditation Center, China Certification Center Co., Ltd., Mark Certification Group Co., Ltd., Zhejiang Public Trust Certification Limited Division Beijing Huayuan Certification Center, ZTE Corporation.

Introduction

For the preparation of conformity assessment standards are common elements of national certification and accreditation Standardization Technical Committee (SAC/TC261) organization Standards Compilation Group identical with the following criteria.

ISO/PAS17001.2005 "Conformity assessment principles and requirements of fairness." ISO/PAS17002.2004 "Conformity assessment principles and requirements of confidentiality." ISO/PAS17003.2004 "Conformity assessment principles and requirements of complaints and appeals" ISO/PAS17004.2005 "Conformity assessment principles and requirements of information disclosure."
