Accreditation Administration Committee, Haier Group, China National Accreditation Center for Conformity Assessment.

1 Scope

This part of GB/T 27050 specifies general requirements for a supplier's declaration of conformity in cases where it is desirable, or necessary, that conformity of an object to the specified requirements be attested, irrespective of the sector involved. For the purposes of this part, the object of a declaration of conformity can be a product process, management system, person or body.

This part of GB/T 27050 does not define any particular object for the declaration of conformity.

Instead of "supplier's declaration of conformity" the term "declaration of conformity" can be used when appropriate.

2 Normative References

The following referenced documents are indispensable for the application of this document. For dated references, only the edition cited applies. For undated references the latest edition of the referenced document (including any amendments) applies.

3 Terms and Definitions

For the purposes of this document, the terms and definitions given in GB/T 27000-2006 apply to this part of GB/T 27050.

Notes:

1 "Supplier's declaration of conformity" is a "declaration" as defined in GB/T

27000-2006 i.e. first-party attestation.

2 To avoid any confusion with attestation by certification bodies, the term

"self-certification" is deprecated and should not be used.
