### What this standard covers

This standard specifies the voltage of 1 kV or more and not more than 15 kV AC power supply system. IEC 60092 requirements contained in other parts also apply when appropriate, but subject to the following exceptions required under the terms of constraint

### Document data

International classification (ICS): 47.020.60.

Chinese classification (CCS): U61.

Estimated length of the Chinese original: 14,162 words.

Adopted international standard: IEC 60092-503-2007, IDT.
