1 Foreword

GB/T 50935-2013 was issued by State Administration for Market Regulation; Standardization Administration of the PRC on 29 November 2013.

The GB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

GB/T 50935-2013 falls under ICS 73.010, in the field of mining and minerals.

This catalogue holds 933 other GB/T standards in that field.

In this catalogue, GB/T standards carry edition years from 1963 to 2026.

3 About this standard

Issued by: State Administration for Market Regulation; Standardization Administration of the PRC
