1 Foreword

GB/T 5709-1997 was issued by State Administration for Market Regulation, China National Standardization Administration on 28 February 2025 and has been in force since 1 March 2027.

It replaces the earlier edition GB/T 5709-1985.

The GB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
