1 Foreword

GH/T 1060-2010 was issued by All-China Federation of Supply and Marketing Cooperatives on 18 May 2010 and has been in force since 1 June 2010.

The GH/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard stipulates the conditions, functions and operational management requirements of the rural consumer goods chain operation network and its components. This standard applies to the network construction, operation and management of rural consumer goods chain enterprises.
