1 Foreword

GH/T 1105-2015 was issued by All-China Federation of Supply and Marketing Cooperatives on 27 March 2015 and has been in force since 1 June 2015.

The GH/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 13 pages in English translation.

2 Scope Preview

This standard specifies the system of network management and management of tea industry network based on Internet technology and network communication means. The legality, safety, fairness, and rationality of the operation and management of the tea industry online shop stipulates the basic principles and the tea industry shop Yifang, tea industry online shop platform provider, tea industry online shop payment platform provider, tea industry online shop auxiliary service provider, etc. specification. This standard applies to all tea industry online store management activities, including between companies in the Internet (BusinesstoBusi-Ness (B2B for short), between business and consumer (BusinesstoConsumer, B2C for short), between individuals (ConsumertoCon-Sumer, referred to as C2C) The transaction of tea, tea sets, tea peripheral products and tea-related services concluded through network communication means.
