1 Foreword

GH/T 1447-2023 was issued by All-China Federation of Supply and Marketing Cooperatives on 20 December 2023 and has been in force since 1 June 2024.

The GH/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard applies to the construction, operation and maintenance of information service platforms for the transformation of agricultural scientific and technological achievements.
