1 Foreword

GH/T 1466-2024 was issued by All-China Federation of Supply and Marketing Cooperatives on 29 October 2024 and has been in force since 1 May 2025.

The GH/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the evaluation principles, evaluation indicators, evaluation procedures and continuous management of the operation quality of rural e-commerce service stations (points). This standard applies to the evaluation of the operation quality (or status or level) of rural e-commerce service stations (points) at the county, township and village levels.

GH/T 1466-2024 falls under ICS 03.080.99, in the field of services and company organization.

This catalogue holds 31 other GH/T standards in that field.

In this catalogue, GH/T standards carry edition years from 1998 to 2026.
