1 Foreword

GH/T 1496-2025 was issued by All-China Federation of Supply and Marketing Cooperatives on 12 December 2025 and has been in force since 1 March 2026.

The GH/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the basic requirements, functional requirements, data requirements, traceability information acquisition, system security requirements, and system operation and maintenance requirements for a tea product traceability system. This document applies to the construction and application of a full-chain traceability system for tea planting, harvesting, processing, warehousing, transportation, and sales.

GH/T 1496-2025 falls under ICS 67.140.10, in the field of food technology.

This catalogue holds 209 other GH/T standards in that field.

In this catalogue, GH/T standards carry edition years from 1998 to 2026.
