1 Foreword

GY 5045-2006 was issued by State Administration of Radio and Television on 20 February 2006 and has been in force since 1 May 2006.

It replaces the earlier edition GYJ 45-1992.

The GY prefix, without a suffix, marks a mandatory standard: within its scope, compliance is required.

2 Scope Preview

This standard applies to television, audio-visual and multi-functional studio construction, expansion and renovation projects of lighting system design. Where the production of television images places lighting system can also be implemented by reference.

GY 5045-2006 falls under ICS 33.160, in the field of telecommunications.

This catalogue holds 7 other GY standards in that field.
