1 Foreword

GY/T 168-2001 was issued by State Administration of Radio and Television on 9 March 2001.

The GY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

GY/T 168-2001 falls under ICS 33.160, in the field of telecommunications.

This catalogue holds 57 other GY/T standards in that field.

In this catalogue, GY/T standards carry edition years from 1989 to 2026.

3 About this standard

Issued by: State Administration of Radio and Television

English translation: about 15 pages (approximate)

4 Classification and status

International classification (ICS): 33.160

Chinese Standard Classification (CCS): M 60

Prefix GY/T: recommended standard.
