1 Foreword

HB 8638-2022 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 8 April 2022 and has been in force since 1 October 2022.

The HB prefix, without a suffix, marks a mandatory standard: within its scope, compliance is required.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the layout elements, content requirements, layout requirements and management requirements for civil aircraft Operator Information Circular (OIC). This standard applies to the preparation and management of civil aircraft operator information notices.

HB 8638-2022 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 171 other HB standards.
