1 Foreword

HB 8763-2023 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 20 December 2023 and has been in force since 1 July 2024.

The HB prefix, without a suffix, marks a mandatory standard: within its scope, compliance is required.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the scope, data management requirements and data management platform requirements for civil aircraft customer service data management. This standard is applicable to the customer service data management of civil aircraft, and can be used as a reference for the customer service data management of other types of aircraft.

HB 8763-2023 falls under ICS 49.020, in the field of aircraft and space vehicle engineering.

This catalogue holds 64 other HB standards in that field.
