## 1 Foreword

HG/T 2006-2006 is issued by Ministry of Industry and Information Technology of the People's Republic of China.

It replaces the earlier edition HG/T 2006-1991.

The HG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

## 2 Scope Preview

HG/T 2006-2006 carries no ICS number and no Chinese Standard Classification code.

This catalogue holds 6,683 other HG/T standards.

Of the 2,593 HG/T standards that do carry an ICS number, 1,629 (63%) fall under ICS 71, in the field of chemical technology.
