1 Foreword

HG/T 2287-2008 was issued by Ministry of Industry and Information Technology of the People's Republic of China on 23 April 2008.

It replaces the earlier edition HG/T 2287-2001.

The HG/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
