7 Random inspection of marine economic survey quality
7.1 In-process quality inspection
7.2 Post-event quality inspection

1 Foreword

HY/T 0360-2023 was issued by Ministry of Natural Resources of the People's Republic of China on 11 July 2023 and has been in force since 1 September 2023.

The HY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 13 pages in English translation.
