1 Foreword

HY/T 0368-2023 was issued by Ministry of Natural Resources of the People's Republic of China on 11 July 2023 and has been in force since 1 September 2023.

The HY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 22 pages in English translation.

2 Scope Preview

This document stipulates the overall requirements, data content, database design, database Construction, security, deployment, operation and maintenance, etc. This document is applicable to the construction and sharing services of comprehensive database of marine economy. The construction of other various marine economy-related databases can also be referred to. Follow the instructions.
