1 Foreword

HY/T 075-2005 was issued by Ministry of Natural Resources of the People's Republic of China on 18 April 2005 and has been in force since 1 July 2005.

The HY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 101 pages in English translation.

2 Scope Preview

This standard specifies: marine information classification, coding, and preparing the information code, This standard applies to: Ocean and marine information and data information system, marine information sharing foundation.

HY/T 075-2005 falls under ICS 35.040, in the field of information technology.

This catalogue holds 478 other HY/T standards.

In this catalogue, HY/T standards carry edition years from 1991 to 2025.
