1 Foreword

HY/T 149-2013 was issued by State Oceanic Administration on 25 April 2013 and has been in force since 1 May 2013.

The HY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 11 pages in English translation.

2 Scope Preview

This standard stipulates the classification principles, classification system, event types and determination methods of marine law enforcement supervision events. This standard is applicable to the statistics, analysis, and determination of maritime law enforcement supervision events in the sea areas under my country's jurisdiction.

HY/T 149-2013 falls under ICS 07.060; 35.040, in the field of natural and applied sciences.

This catalogue holds 287 other HY/T standards in that field.

In this catalogue, HY/T standards carry edition years from 1992 to 2025.
