1 Foreword

HY/T 200-2016 was issued by State Oceanic Administration on 5 May 2016 and has been in force since 1 August 2016.

The HY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard specifies the type, material, specification, layout and setting requirements of the island name sign. This standard applies to the production and installation of the name signs of islands in the People's Republic of China.

HY/T 200-2016 falls under ICS 07.060, in the field of natural and applied sciences.

This catalogue holds 287 other HY/T standards in that field.

In this catalogue, HY/T standards carry edition years from 1992 to 2025.
