### What this standard covers

This standard specifies the energy efficiency level and limit values, test methods, energy efficiency determination rules and energy efficiency level labeling of ride-on rice transplanters. This standard applies to energy efficiency classification activities of ride-on rice transplanters.

### Document data

International classification (ICS): 65.060.30.

Chinese classification (CCS): B91.

Estimated length of the Chinese original: 9,987 words.
