1 Foreword

JB/T 14623-2024 was issued by Ministry of Industry and Information Technology on 24 October 2024 and has been in force since 1 May 2025.

The JB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the classification, structure and technical requirements of membrane filters for sterility inspection, describes the corresponding test methods, and specifies the inspection rules, packaging, transportation and storage requirements.
