1 Foreword

JB/T 15165-2025 was issued by Ministry of Industry and Information Technology on 19 August 2025 and has been in force since 1 March 2026.

The JB/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the installation requirements for projection optical screens, describes the corresponding test methods, and specifies service and precautions. This standard applies to the installation of Fresnel structure frame screens and mounting screens.
