Foreword

JB/T 15630-2026 is a recommended industry standard of the People's Republic of China in the Machinery sector, approved and issued by the Ministry of Industry and Information Technology on 1 June 2026, with effect from 1 December 2026.

It is administered by the National Technical Committee for Metal-Cutting Machine Tool Standardization.

Classification: ICS 25.080.01; CCS J50.

1 Scope

JB/T 15630-2026 provides a classification of small machine tools. It is a classification standard: it organizes this group of machines into categories so that makers, sellers and buyers describe them in the same terms.

Machine tool manufacturers, traders, catalogue and statistics compilers, and buyers selecting small machines can use it. It is voluntary. The Ministry of Industry and Information Technology approved it. It was issued on 1 June 2026 and takes effect on 1 December 2026. It is a new standard.
