What this standard covers

This standard specifies the classification, model, and technical requirements of tea tree pruning machines, describes the corresponding test methods, and stipulates inspection rules, marking, packaging, transportation, and storage. This document applies to the manufacture of reciprocating cutting type tea tree pruning machines; the manufacture of other types of pruning machines or branch trimming machines should refer to this standard.

Document data

International classification (ICS): 65.060.99.

Chinese classification (CCS): B93.

Supersedes the earlier edition JB/T 5674-2007.
