1 Foreword

JC/T 1025-2007 was issued by Ministry of Industry and Information Technology on 13 April 2007 and has been in force since 1 October 2007.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 5 pages in English translation.

2 Scope Preview

This standard specifies the scope of the wall plasters, terms and definitions, classification and labeling, General requirements, test methods, inspection rules and signs, packaging, transport and storage. This standard applies to the inner and outer surface of the building
