1 Foreword

JC/T 1028-2007 was issued by Ministry of Industry and Information Technology on 13 April 2007 and has been in force since 1 October 2007.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard specifies the contact rail glass fiber reinforced plastic protective cover classification, raw materials, technical requirements, test methods, inspection rules and product logo, packaging, transport and storage. This standard applies to the field of rail
