1 Foreword

JC/T 1041-2007 was issued by Ministry of Industry and Information Technology on 29 May 2007 and has been in force since 1 November 2007.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the external surface of the building with the terms and definitions heat reflective insulation coating, test methods, , classification and labeling, requires inspection rules and signs, packaging, transportation and storage requirements. This

standard applies to buildings and structures to reduce the heat load of insulation decorative coatings by reflecting solar radiation. The major products of synthetic resin, functional fillers and various additives formulated.

JC/T 1041-2007 falls under ICS 91.100.10, in the field of construction materials and building.

This catalogue holds 579 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.

3 About this standard

Issued by: Ministry of Industry and Information Technology

English translation: about 7 pages

Chinese original: about 9,910 characters

4 Related standards

Standards on related subjects:

GB/T 13477.11-2017 - Test method for building sealants -- Part 11: Determination of tensile properties at maintained extension after immersion in water

GB/T 13477.10-2017 - Test method for building sealants - Part 10: Determination of tensile properties at manitained extension

JC/T 936-2004 - [JC/T 936-2004] One-component polyurethane foam

JC/T 2235-2025 - Silicious protector for concrete

JC/T 2800-2024 - Green factory evaluation requirements for building sealant industry

JC/T 2560-2020 - Corner sealant for building doors and windows

5 Classification and status

International classification (ICS): 91.100.10

Chinese Standard Classification (CCS): Q 24

Prefix JC/T: recommended standard.
