1 Foreword

JC/T 1053-2007 was issued by Ministry of Industry and Information Technology on 22 September 2007 and has been in force since 1 April 2008.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions wool sound-absorbing insulation products, classification and labeling, requirements, test methods, inspection rules, signs, labels, packaging, transport and storage. This standard applies to sound-absorbing insulation wool
