1 Foreword

JC/T 1094-2009 was issued by Ministry of Industry and Information Technology on 4 December 2009 and has been in force since 1 June 2010.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 4 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions of resin decorative bricks, General requirements, technical requirements, test methods, inspection rules, signs, manual, packaging, transport and storage. This standard applies to the building interior finishes resin
