1 Foreword

JC/T 2029-2010 was issued by Ministry of Industry and Information Technology on 22 November 2010 and has been in force since 1 March 2011.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 14 pages in English translation.

2 Scope Preview

This standard specifies the mineral wool insulation products with terms and definitions composite veneer material, classification and labeling, requirements, test methods, inspection rules, signs, packaging, transport and storage. This standard applies to foil category (excluding aluminum) veneer and polypropylene veneer.

JC/T 2029-2010 is filed under Chinese Standard Classification Q 14, in the field of building materials.

This catalogue holds 931 other JC/T standards without an ICS number.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.
