1 Foreword

JC/T 2035-2010 was issued by Ministry of Industry and Information Technology on 22 November 2010 and has been in force since 1 March 2011.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions autoclaved brick automatic hydraulic machine, classification, technical requirements, test methods, inspection rules and signs, packaging, transport and storage. This standard applies to coal ash as the main raw
