1 Foreword

JC/T 2037-2010 was issued by Ministry of Industry and Information Technology on 22 November 2010 and has been in force since 1 March 2011.

The JC/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the cement kiln spinel brick terminology and definitions, classification and labeling, technical requirements, test methods, inspection rules, signs, transportation and storage and quality certificate, packaging. This standard applies to the cement kiln spinel brick.

JC/T 2037-2010 falls under ICS 81.080, in the field of glass and ceramics industries.

This catalogue holds 206 other JC/T standards in that field.

In this catalogue, JC/T standards carry edition years from 1973 to 2026.

3 About this standard
